

Introduction

Al Habari Trading Centre, established in the year 2007, as an integral part of the three-decade old Al Habari Group of Companies, is dedicated to offer a complete range of solutions comprising of oil & gas industry consumables, safety products, building materials, construction supplies, industrial consumables and other engineering merchandise. We are devoted to assure utmost contentment to our customers, by complimenting their requirements with the most accurate solution, thereby creating a value proposition through quality and operational excellence.

We are specialized in sourcing and supplying materials to meet precise standards and requirements of projects, irrespective of their size, scope or complexity. We assure judicious and prompt delivery of supplies as we very well understand the accountability of meeting production schedules and the significance of proper communication. As Oil & Gas business forms the main basis for Qatar economy, we proudly propose to support and cater our products to the upstream, midstream and downstream segments throughout the life of a project, from its theoretical phase through its commissioning.

We are equipped perfect to offer you an optimal full house experience, accompanied with competence, expertise and accountability, all under one roof. Abiding by our strong commitment to ensure quality and through associations with leading manufacturers and vendors around the globe, we are determined to build a successful business, by leveraging professional knowhow, management skills and market knowledge and thereby emerge as a leading business entity in trading and contracting par excellence through benevolence and goodwill.

LIST OF PRODUCTS AND SERVICE

Safety Products

Al Habari Trading Centre puts forward an ample variety of safety products from eminent brands such as **Black & Decker, Karam, Habro, Bullmann, Guardex, Vaultex** etc. that offers large variety of Personal Protective Equipments and Road Safety Products. Our direct associations with very renowned factories and manufacturers across Europe, America and Asia enable us to cater to your requirements at the best price with no compromise in quality.

Abrasives for Cutting, Grinding, Sanding etc.

We partner with some of the world's leading manufacturers to deliver the finest solutions in abrasives and construction tools across the Middle East. Our portfolio covers bonded grinding, cut-off, sawing, drilling, and dressing tools, along with advanced tool and machine systems for the construction industry.

As the authorized dealer of **ATI Swords**, an OSA-certified abrasive brand from Saudi Arabia, we provide high-quality bonded and coated abrasive products. ATI stands out for its competitive pricing, lean manufacturing practices, and approvals from top oil & gas contractors.

In addition, we maintain a strong inventory of premium **Diamond Tools** for construction applications, including continuous rim blades, segmented blades, turbo blades, asphalt and green concrete blades, cured concrete saw blades, polishing pads, grinding cup wheels, core bits (dry & wet), and diamond wire saws—powered by trusted OSA certified European brands such as **Bosch** and **Osborn**.

Hand Tools

We offer a wide choice of Hand Tools that spreads across a wide series of pliers, hammers, wrenches, screw drivers, sockets & keys, cutting tools, measuring tools, carpentry & masonry tools, electrician's tools, garden tools, automobile tools etc.

Power Tools and Consumables

Our **Power Tools** section brings you the perfect blend of innovation and cutting-edge technology, offering a wide range of solutions to make every job faster, easier, and more efficient. From grinders, drills, impact drivers, and planers to polishers, sanders, saws, cordless tools, and specialized equipment—we have it all under one roof. As an **authorized partner of BOSCH**, one of the world's most trusted and reputed brands, we guarantee premium-quality tools designed to deliver performance, durability, and precision for professionals and businesses alike.

Industrial Equipments

We are proud to be the authorized dealer of globally renowned brands such as Kärcher, Fini, and Generac, bringing world-class solutions to our customers.

Kärcher, a leader in cleaning technology, is trusted worldwide for its innovative high-pressure cleaners, vacuum cleaners, sweepers, and more.

Fini, a leading Italian provider of premium air solutions, is internationally recognized for its advanced air compressors and state-of-the-art compressed air technologies.

Generac, a pioneer in power generation from the United States, offers the widest range of construction power equipment, including portable, residential, commercial, and industrial generators and pumps.

Through these partnerships, we deliver reliable, high-performance products backed by global expertise and local support.

We offer a diverse array of goods such as plywood, soft wood, MDF, boards, laminates, veneer etc. All structural steel sections such as angles, channels, beams, plates, sheets, round bars, flat bars, reinforcement rebar, pipes, tubes etc. are also a part of our building material merchandise.

Fasteners

Fastening objects such as Bolts, Nuts, Washers, Screws, Anchors, Threaded Rods, Pins, Rivets etc. as per DIN/ISO/ANSI/JIS/AS/BS/GB/ASTM standards constitutes our large reserve of construction, automobile and industrial fasteners.

Oil & Lubricants

We are proud to partner with leading global brands such as **QALCO, Valvoline, Total** etc. to meet the comprehensive requirements of the oil and lubricants industry. Our offerings include high-performance engine oils, hydraulic oils, gear oils, industrial lubricants, and specialty fluids, designed to deliver optimal efficiency, superior protection, and extended equipment life across automotive, industrial, and commercial applications.

Pipes

DIMENSIONAL STANDARD: ANSI B 32.19

Carbon Steel:

Seamless / Welded (ERW/SAW) - 1/2" to 36" API 5L, A53 GR.B, A 106 GR.B, A333 GR.6

Stainless Steel:

Seamless / Welded - 1/2" to 8"(Seamless)/above 10" (Welded)

A312 / GR 304 / 304L, 316 / 316L

Wall Thickness:

Carbon Steel:

Schedule 20 Through to Schedule XXS

Stainless Steel:

Schedule 10s Through to Schedule 160s

Flanges

SLIP ON, BLIND, WELD NECK, SOCKET WELD, THREADED AND ORIFICE

STANDARD: ANSI B16.5, MSS SP 44 B16.47.A, API 605 B16.478

Carbon Steel:

ASTM A105/A350 LF2-1/2" to 36"

Stainless Steel:

A 182 F304/ 304 L, 316-1/2" to 24"

Pressure Rating:

150,#300, #600, #900, #1500 & #2500

Schedules:

Carbon Steel:

Schedule 40 Through to Schedule XXS

Stainless Steel:

Schedule 105 Through to Schedule 160S

Carbon Steel and Stainless-Steel Flanges #150, #300, #600, #1500 (Slip-on Type / Weld-Neck Type)

Butt Weld Fittings

ELBOWS, TEES, REDUCERS, CROSSESS, CAPS AND STUB ENDS

DIMENSIONAL / TOLERANCE STANDARDS: ANSI B16.9 / 6.28 / MSS SP75

Carbon Steel: A234WPB, A 420 WPL6-1/2" to 24" (SMLS) - 26" to 48" (Welded)

Stainless Steel: A403 F304 / 304L, 316 /316L - 1/2" To 16"

Alloy Steel: A234, WP 9, WP 11, WP 12,WP 22,WP 91 - Upto 24"

Wall Thickness:

Carbon Steel: Schedule 20 Through to Schedule XXS

Stainless Steel: Schedule 10s Through to Schedule 160s

Forged & Reinforced Fittings

ELBOWS, TEES, CROSSES, COUPLING, CAPS, UNIONS, PLUGS, BUSHES, PIPE & SWAGE NIPPLES, THREADOLET, WELDOLET & SOCKETS

Carbon Steel: A-105/A 350 LF2 1/2" to 4"

Stainless Steel: A 182 F 304 / 304L, 316 /316L - 1/2" to 4"

Pressure Rating: #2000, #3000, #6000, #9000

Threaded (NPT) & Socket Weld

Services:

- Light - Medium Structural Fabrication.
- Machining works (Turning, shaping, Drilling etc.)
- Painting
